# 2011

# GENERAL CAMP INFO

ready, set, have fun...

## TRANSPORTATION

Approximately two to five days prior to the opening of Camp, the bus driver will stop at your home and leave an identification tag, a camp bag for each child, and other pertinent information. After the first two to three days of Camp, the times of pick up and take home will become regular. Early dismissals will be held during the first week and on rainy days. Buses will leave approximately 15 minutes early on these days.

## HEALTH AND SAFETY

In order to make sure we exercise every precaution to safeguard your child's health, safety, and welfare, Park Shore is inspected by the Suffolk County Health Department. These inspections take place before our session begins and during the operation of our Day Camp. We follow all the regulations set by both the New York State and Suffolk County Health Departments, as well as the standards set by the American Camp Association (ACA). Our Campers are closely watched for any signs of illness by their group leaders and are assisted by our Registered Nurses. Our Nurses are in constant attendance and can be found in Park Shore's modern Health Care Center.

In order to keep our campers healthy, we ask for your cooperation in keeping home any child with a cold or other symptoms of illness. **The enclosed medical form(s) must be completed by your physician and returned to camp before Friday, June 3, 2011.** This is a Suffolk County Health Department regulation. Your cooperation in returning the medical form(s) in a timely manner is both appreciated and a requirement. We recommend that you make an appointment with your child's physician now, so that returning your child's medical form(s) won't be delayed.

## CONFIDENTIAL INFORMATION

Please fill out the enclosed Camper Profile Sheet carefully and thoroughly. In order for us to fully understand your child and to help make his/her adjustment to camp easier, this profile will be shared with your child's Director. Please return this form with your child's medical form on or before Friday, June 3, 2011.

## TUITION REFUND PLAN

If a camper is absent due to illness or accident, as certified by a physician's letter, for five (5) consecutive camp days during the camp session, a pro-rata refund will be made for every day thereafter.

## DAILY PHOTO GALLERY

We look forward to another wonderful summer taking pictures of your children. These pictures will be posted on our website, [www.parkshoredaycamp.com](http://www.parkshoredaycamp.com) on a daily basis. We hope you enjoy getting a glimpse into your child's experiences at Park Shore. To ensure the safety and security of all our campers, our Photo Gallery is only available to registered Park Shore families. In order to gain access to the Park Shore Photo Gallery, you must register at the Park Shore website and indicate whether you are a camp family, a school family or both. Your approval should come within 24 hours of registering.

# GENERAL CAMP INFO

## OUR PARK SHORE ENVIRONMENT

We appreciate your help in keeping Park Shore a "SMOKE FREE" environment. Thank you for not smoking when at camp.

## VISITING

We respectfully request that parents cooperate with us and refrain from visiting Camp during the first week. Please call the office ahead of time if you would like to visit your child. Each group will have visitation either during the day or evening as detailed later on during the summer. We definitely want all parents to meet the group counselors and to observe their child's group in action. By following a carefully planned routine, we are able to accomplish this goal without disrupting the overall Camp Program and without disrupting the adjustment of your child's group.

## WRITTEN PERMISSION FROM YOU MUST BE SUBMITTED TO THE CAMP OFFICE IN ADVANCE:

1. If you wish to take your child home early, your child will be waiting at the Director's Office at the time you indicated. Please make every attempt to pick up your child before 3:15 p.m. to avoid being delayed by our regular dismissal.
2. If you wish any other person to take your child home.
3. If you wish your child to go home on another Park Shore bus. (Space Permitting)

## UNDER NO CIRCUMSTANCES IS A PARENT TO TAKE HIS OR HER CHILD FROM PARK SHORE WITHOUT CHECKING IN AND OUT OF THE OFFICE!

## LATE NIGHTS (Junior & Senior Divisions)

Campers will not go home on the camp bus on the day of their Late Night as they will be preparing for the evening's activities. Parents are cordially invited to join their children and our staff at 5:45 p.m. Parents will be able to observe their child's swim progress, as well as their child's Late Night Activity/Skit. Parents of our Sports Track campers will be able to watch their child play a game on our Dream Field. Everyone will enjoy our famous Late Night Dinner and the evening's activities will end with dessert. Time will be available for parents to meet their child's counselors. The Senior Division Late Nights will take place during the 6th week of camp and the Junior Division Late Nights will take place during the 7th week of camp. Definite dates and times will be sent home during camp. All July campers and parents are cordially invited to join us during this event. You will be notified as to when your child's Late Night will take place.

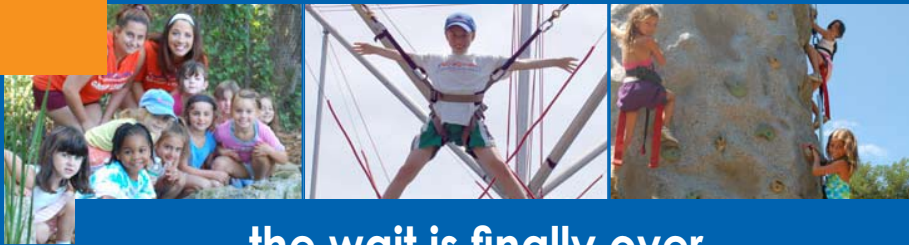

## BIRTHDAYS

If your child celebrates a birthday during our camp season, please call the camp office for information regarding party arrangements. We will, however, have one big Park Shore BIRTHDAY BONANZA in July and one in August celebrating all of our Park Shore campers birthdays. For the parent who would like to celebrate their child's birthday during their lunch period, The Grill is available for such an occasion. Please call in advance to reserve your spot.

## LUNCH

If your child brings his/her lunch to camp, please pack it in a brown paper bag clearly marked with your child's name and camp group. The lunch will be placed in our walk-in refrigerator until lunch time. A beverage will be served at lunch. Our superior hot lunch is available at \$295 for the entire summer, \$230 for six weeks, or \$150 for four weeks. (See our attached Menu.) If you have not yet done so, a telephone call to our office is all that is necessary to insure hot lunch for your child.

# WELCOME TO THE SUMMER OF 2011!

## the wait is finally over...

# NEW FOR 2011

## it just keeps getting better and better...

Dear Park Shore Parents,

There is warmth from the early morning summer sun, and the smell of sunscreen is evident as we put the finishing touches on our first day festivities. Our top-notch directors and staff are blowing up the final balloons and dressing in costumes as they prepare to greet all of our campers for the first time. As the music begins to play, the anticipation of the excitement and laughter from our campers is at an all-time high. Someone shouts from the road, "The first bus is here!" there is a mad dash to the arrival area to see all of our campers' faces filled with joy as they approach the pit where they get off of their bus. Our characters start to

dance and greet every camper who passes under our blue archway. As we say hello and reunite with them we can sense that they are eager to get to their assembly area to meet their friends and counselors. After a short time at assembly, we are all off to first period and the 2011 camp season is off and running.

We want to thank you for giving us the opportunity to share the fun and excitement with your children. This summer will be very special and will be filled with many new and exciting activities for all to enjoy. Our all New Cabaret Kids Performing Arts program will be extremely popular this summer. Directed by a professional in the performing arts industry, our senior campers who want a more intensive program will be able to participate in the Cabaret Kids program 2 - 3 hours every day in addition to enjoying all of Park Shore's other exciting activities. Our pre-school and junior campers' performing arts programs will be coordinated with many of the same skill building activities for them to enjoy. This one of a kind program is sure to bring a new level of enthusiasm and professionalism to our performing arts. Our pre-school athletic program will now have a new baseball dream field of its own. In addition, they will have a new pre-school athletic director who will enhance every pre-school athletic activity. After traveling to several trade shows in search of new fun and exciting activities we are pleased to say that our all new 100 foot long Boot Camp Obstacle Course and Pavilions in the Round will add more excitement and joy to our camper's Park Shore Experience. In addition we have added new water features to our Water Adventure Activity Course including a firemen's hose spray area, interactive water spray game and two huge spray cannons that will keep all of our campers cool on those very hot days. Our very popular remote control car race track will be enlarged with new obstacles and cars for our senior camper's club activity. New carnival games, physical challenges and special events will keep everyone's excitement level at an all-time high.

Our overall success has been centered on giving our campers and their families the very best day camp experience. This has been accomplished by having a mature and experienced staff who knows how to cater to the needs of our campers. In addition, our facilities and programs have stayed current and accommodate the interests of all of our campers. We assure you that these protocols will never be compromised and will always be a strong part of what we offer. Please feel free to call us whenever you have a question or concern, as we are always happy to assist you. We look forward to sharing the summer of 2011 together and creating magical memories for all to enjoy for a lifetime.

Sincerely,

*Bob & Chuck*

## GENERAL CAMP INFO

we just can't wait...

## IMPORTANT DATES

always taking fun to the next level...

### SWIMMING POOLS

In the operation of our pools, the very highest standards of hygiene are consistently maintained. Our filtration plant is an integral part of our pool equipment and is tended by a Certified Pool Operator who makes constant tests of the water each day. All three of our pools are heated, which adds to our campers' swimming enjoyment. We use the Red Cross Swim Program taught by Red Cross trained and qualified Swim Instructors. Campers are placed into swim groups according to their swimming ability and age. They will be able to progress to their highest potential and receive either Park Shore or Red Cross swimming certificates. Those Junior and Senior campers who are deemed ready are given a DEEP WATER TEST and those who pass are given a GREEN DEEP WATER BRACELET. This bracelet alerts all counselors and lifeguards that this camper is certified and allowed to swim in our deep water pool. This test is given on a weekly basis. YELLOW BRACELETS are given to our Junior and Senior campers who have the ability to swim in the deep water section of our main pool. They are NOT allowed to swim in the Deep Water Pool. We encourage all campers to wear their bracelet for the duration of the camp season. If for any reason the bracelet is lost or removed, a new bracelet will be given to that camper. We emphasize safety while having fun in the Park Shore swimming pools.

### TOWELS

Park Shore will provide professionally cleaned terry cloth towels during each swim.

### SUNSCREEN

For those parents who want sunscreen applied at camp, please send sunscreen labeled with your child's name along with a note giving permission and instructions as to what you want done. The first coat of sunscreen should be applied at home before your child(ren) comes to camp.

### CAMP CLOTHING

Each camper will receive one (1) Camp T-shirt & Camp Bag. You and your family are cordially invited to visit Camp during our SPRINGTIME CARNIVAL on SATURDAY, MAY 21st (Rain date, SUNDAY, MAY 22nd) between 11:00 a.m. and 3:00 p.m. Your child's Camp T-shirt will be available for pick up, as well as any additional T-shirts you may want to purchase. Camp bags will be delivered to your home during our transportation dry runs one week before camp begins. Feel free to get your child's Camp T-shirt on Sunday, May 22nd if you cannot pick them up on Saturday, May 21st. T-shirts for our SUPER SENIORS, EXPLORERS & SUPERTeens will be handed out at the beginning of camp or when their session starts. You may also purchase Park Shore FUNWEAR or fill out order forms for future pick-up at the Carnival.

### CLOTHING & EQUIPMENT

Your child(ren) should bring two (2) bathing suits to camp every day. Other clothing items are not necessary. Baseball gloves should also be marked with your child's name. Park Shore will exercise every care in safeguarding the clothing your child has in camp, but we cannot be responsible for the loss of any personal property. Do not send very expensive and valuable items to camp. NO CHILD MAY BRING BASEBALL BATS, HOCKEY STICKS, TOY GUNS, WATER PISTOLS, TOY KNIVES, CELL PHONES, RADIOS, IPODS, CD PLAYERS, ELECTRONIC TOYS, OR ANY KIND OF TRADING CARDS TO CAMP.

### RAINY DAYS

On rainy days, please dress your child with a raincoat, hat, and shoes appropriate for the rain, all clearly marked with their name. Our campers will participate in our rainy day schedule of activities that will take them to all of our indoor facilities. When we know it will rain for the entire day, our Senior campers will leave the grounds and go bowling or to the movies. Please DO NOT send your child with spending money to buy snacks or play video games when they leave Park Shore as they will not have time to participate in these activities.

### CAMP OPENING AND CLOSINGS

Camp will begin on Monday, June 27th and will end eight weeks later on Friday, August 19th. The first session of four (4) weeks will end on Friday, July 22nd. The second four (4) weeks will begin on Monday, July 25th and will end on Friday, August 19th. Camp is open five (5) days each week except on Monday, July 4th when camp will be closed for the July 4th holiday. The campers will arrive approximately between 8:45 a.m. and 9:15 a.m. and will leave for home between 4:00 p.m. and 4:20 p.m.

Should you require additional information, our office is open throughout the summer Monday through Friday between 7:30 a.m. and 5:30 p.m. to assist you. Our answering machine is activated between 5:30 p.m. and 7:30 a.m. should you need to leave a message.

### SPRINGTIME CARNIVAL

The PARK SHORE SPRINGTIME CARNIVAL will be held on SATURDAY, MAY 21st (Rain date, SUNDAY, MAY 22nd) between 11:00 a.m. and 3:00 p.m. Campers and their families are invited to have fun with our carnival games, play in our playgrounds, have lunch at the Park Shore Food Emporium, and pick up your child's T-shirt and Park Shore FunWear if you so desire. Order forms for FunWear will be available for anyone who is unable to come to the carnival. Please invite any friends that may be interested in learning more about Park Shore or would like to have a personalized tour of our facility.

### PICTURE DAY

Picture Days for group and individual photos for 8 week and July campers will be held on Wednesday, June 29th and Thursday, June 30th. August campers and any make-up photos will be held on Wednesday, July 27th.

### TRAVEL ORIENTATION

Attached is all the information about our Travel Orientation including the date and times. This is an excellent way for parents of travel campers to meet our Travel Directors and staff and find out about their child's travel program. We encourage your travel camper to attend. By attending, this will give them the opportunity to meet other travel campers in their group, as well as the staff who will be traveling with them.

### CELL PHONES

Cell Phones are NOT allowed at camp because they create a distraction while campers are busy at an activity. All calls can be made from the main office. Parents who need to contact their child can call our office or Travel Directors when necessary. Parents of travel campers will be given the cell phone number of their child's Travel Director. See specific travel pages for more details.

### BULLYING

Park Shore is no place for socially cruel behaviors. The physical and emotional safety of our campers has always been, and continues to be, our number one concern and priority. For this reason bullying of any kind will not be tolerated. Parents will always be informed to assist in eradicating this behavior, if this negative behavior cannot be stopped our tolerance policy will be enforced and the camper who is doing the bullying will be asked to leave camp.

# WHAT'S COOKIN'

more than just lunch...

This is the **PARK SHORE NUTRITIOUS and DELICIOUS HOT LUNCH MENU**. It was prepared professionally with loving care while keeping our campers' nutritional interests in mind. Lunch is always a fun time at Park Shore. Your child's counselors will always be with their campers making lunchtime comfortable and enjoyable. Music and dancing everyday at the Food Emporium makes lunch at Park Shore more than just a time to eat. Our Special Events team is always creating something fun and exciting to enhance our lunch experience.

Your child is encouraged to eat the entree of the day, however, in the event he/she needs a substitute, the following sandwiches are available:

- Turkey
- Tunafish
- American Cheese
- Bologna
- Salami
- Bagel with Butter or Cream Cheese

Desserts will vary throughout the week and will include:

- Seasonal Fresh Fruit
- Apples
- Oranges
- Pears
- Jello

Park Shore is pleased to serve **Gatorade**, as well as water or milk upon request during all lunch periods. Park Shore will serve two Banquet Lunches. The entree will be different than what is normally served on a Banquet Day. These Banquet Days are listed on our menu. The Banquet menus will be sent home in our Park Shore newsletter during camp.

We make every effort to create an enjoyable experience during lunchtime and want your child to be comfortable while eating. Please call the camp if you need additional assistance.

# SUPER SENIOR SCOOP

you've finally arrived...

Each summer we create an amazing experience for our Super Seniors filled with excitement and fun every day. They will be on the Park Shore facility three days each week and will travel to local destinations two days each week. We have specific rules and regulations from our Super Senior Director, Travel Staff, Restaurant Personnel, Amusement Park Security, and Bus Drivers when we are traveling off the Park Shore facility to insure the safety and welfare of everyone on our trips while providing for their overall comfort and enjoyment. Please read the following list with your child so they understand the importance of what is expected from them when at Park Shore.

### GENERAL BEHAVIOR:

You are going to have a great time this summer and make many new friends. We encourage an atmosphere of respect, trust, and consideration in your relationships with your fellow Super Seniors and Travel Staff. Friendliness, openness, and politeness are qualities that will make you a very happy Super Senior. Be flexible and have a positive attitude and you will have a great time. A negative attitude, rudeness, impatience, lateness, and profanity are behaviors that will not be tolerated. Also, campers should not be picked up from a location other than camp unless the camp has been notified before hand.

### GENERAL PARTICIPATION:

The Super Senior Program is filled with exciting activities which will keep everyone busy. Super Seniors are required to participate in all scheduled activities unless medically approved.

### ELECTRONIC DEVICES:

We recommend that iPods and other electronic devices not be brought to camp. Cell phones are NOT ALLOWED at camp or on trips. If campers need to call their parents, they can use their Director's cell phone. Parents will have the Director's cell phone number if they need to contact their child while on a trip. Electronic devices create distractions and can possibly be lost or damaged. Park Shore will NOT be responsible for any lost or damaged electronic device brought to camp.

### DRESS:

Appropriate dress is required. We ask our Super Seniors to wear sneakers every day except when we have a trip which involves water such as a water park, beach, or canoeing. Super Seniors are required to wear their travel t-shirt when leaving Park Shore grounds.

It is our intention to have a GREAT TIME WITH EVERY SUPER SENIOR AND CREATE A SUMMER FILLED WITH EXCITING MEMORIES AND NEW FRIENDSHIPS.

We appreciate your cooperation with following these guidelines and know that each traveler will have a summer filled with exciting trips and lasting memories. Each summer we become a family and treat each other with respect. Any medical, dietary, or social concerns should be shared with the Super Senior Director, Reid Solomon. It is important for us to know if your child has any special needs which will impact them during their time with us. Please feel free to contact us at any time if you have any questions or concerns.

# EXPLORER SCOOP

## the adventure begins...

Welcome! We are very excited to begin another fun-filled exciting summer in our Explorer Travel Program. As safety is our number one concern and to ensure a fun-filled and memorable summer for all our campers, the following are some guidelines that all Explorer campers need to follow:

Appropriate behavior is expected at all times. Cooperation is expected on our bus trips as well as our destination sites. Any financial damage to the hotels is the responsibility of the individual's parents. Shaving cream and silly string are prohibited and parents are asked to check their child's suitcase for any inappropriate materials before coming to camp.

Hand held games/individual music players may be used on bus trips when announcements are not being made. However, we are not responsible for any loss or damage. These items should not be used during an activity and should be kept out of sight.

Cell phones are NOT allowed at camp or on most of the Explorer trips. Explorers may bring cell phones on all overnight trips and Great Adventure. They can only use them as instructed by Christina Loffredo, the Explorer Director, and her staff. Parents will be given Christina's cell phone number in case they need to contact her or their child.

Appropriate dress is required. We ask our Explorers to wear sneakers every day except when we have a trip which involves water such as a water park, beach, or canoeing. If time permits before or after a trip, we play sports on the camp grounds. Campers will be given travel shirts. It is very important that they wear these shirts when indicated in our weekly newsletter. Please do not alter the travel T-shirts in any way.

When our bus returns from a late trip or overnight, we ask parents to please wait for your child inside the camp parking lot. It is very confusing and dangerous when parents crowd the bus and take their children from the street. Please allow us to unload the bus and we will escort the campers from the bus into Park Shore. At that time, campers will be dismissed.

If your child is being picked up early or at dismissal, please provide a note or call the camp office first thing in the morning. Any afternoon social plans should be prearranged before camp. Also, campers should not be picked up from a location other than camp unless the camp has been notified before hand.

We appreciate your cooperation with following these guidelines and know that each traveler will have a summer filled with exciting trips and lasting memories. Each summer we become a family and treat each other with respect. Any medical, dietary, or social concerns should be shared with the Explorer Director, Christina Loffredo. It is important for us to know if your child has any special needs which will impact them during their time with us. Please feel free to contact us at any time if you have any questions or concerns.

# SUPERTEEN SCOOP

the world awaits...

The Park Shore Superteen Program is designed to provide your Superteen with the safest, healthiest, and most enjoyable summer experience available anywhere. Our unparalleled record for providing this unique experience depends upon several factors: First is Park Shore's research and pre-visits to numerous destination sites, our mature and experienced staff, and the requirement that all Superteens strictly follow the rules and procedures designed for their safety. Parents and campers must agree to follow program rules. Registration in this program signifies the agreement to these conditions of registration.

## THE FOLLOWING ARE PROHIBITED

- Drugs, alcohol, and tobacco
- Weapons of any type
- Physical violence
- Harassment, rude, or offensive language
- Travel without a camper buddy
- Theft, shoplifting, or destruction of property
- Departure from an assigned activity, location, or room without permission
- Use of cell phones - Cell phones are NOT allowed at camp or on most of the Superteen trips. Superteens may bring cell phones on all overnight trips and Great Adventure. They can **only** use them as instructed by Tom Hand, the Superteen Director, and his staff. Parents will be given Tom's cell phone number in case they need to contact him or their child.

Park Shore Country Day Camp reserves the right to search camper's personal belongings at any time. Campers who break any of these rules will be liable for any of the following consequences to be determined solely at the discretion of Park Shore Country Day Camp.

- The camper will be permanently removed for the remainder of the summer program.
- The camper will be returned home at the parent's expense.
- The camper will be suspended from camp for the duration of the following trip.

It is further understood that in no case will any refund of tuition be made.

It is understood that our campers will bring personal items to camp and on our trips but Park Shore will not be responsible for any loss or damage to these belongings.

Please discuss these rules with your child and the importance of following them. Once they understand our rules and procedures, please sign the enclosed card.

Good choices will create fond memories that will last a lifetime.

We appreciate your cooperation with following these guidelines and know that each traveler will have a summer filled with exciting trips and lasting memories. Each summer we become a family and treat each other with respect. Any medical, dietary, or social concerns should be shared with the Superteen Director, Tom Hand. It is important for us to know if your child has any special needs which will impact them during their time with us. Please feel free to contact us at any time if you have any questions or concerns.
